Space and Naval Warfare Systems Command Awards Contract

SAN DIEGO — Inter-National Research Institute, Reston, Va., is being awarded a not-to-exceed \$19,132,563 cost-plus-fixed-fee letter contract for the continued development, integration, maintenance, and support of software application code for Defense Information Infrastructure Common Operation Environment based systems, to include the Global Command and Control System–Maritime System and variants. This contract includes one option, which, if exercised, would bring the cumulative not-to-exceed value of this letter contract to \$39,058,344. Work will be performed in San Diego (40%); Reston (30%); Newport News, Va. (16%); Austin, Texas (5%); Middletown, RI (2%); Chesapeake, Va., (2%); Colorado Springs, Colo. (2%); North Charleston, S.C. (1%); Little Touch Key, Fla. (1%); Mililani Town, HI (1%); and is expected to be completed by February 2002. The contract will be funded with Operations Maintenance Navy; Research, Development, Test and Engineering; Other Customer; Other Procurement Navy; Ship Construction Navy; and Foreign Military Sales funds throughout the contract's period of performance. O&M funds of approximately \$641,500 will expire this fiscal year. This contract was procured on a sole source basis under the authority of 10 U.S.C. 2304(c)(1), only one responsible source and no other supplies or services will satisfy agency requirements. The Space and Naval Warfare Systems Command San Diego is the contracting activity (N00039-00-C-3124).
